## Building Opportunity

### Venture Launch Mission

To develop and launch successful business ventures that build wealth, empower entrepreneurs, and employ people in the process.

- Part 1 - Exploring Your Ideas, Market Research and Business Planning
- Part 2 - Marketing Techniques and Building an Operations Plan
- Part 3 - Business Registration, Financial Projections and Financing
- Part 4 - Building Your Pitch and Final Presentations

Venture Launch is designed to help you get from: 'I have an idea' to I'm in Business

### [ Venture Launch Training Sessions ]

The Venture Launch training is an intensive program that immerses potential entrepreneurs in the business start-up process. Online participants will have access to our member's only portal which includes videos, additional resources, and contacts for collaboration with other members. The goal of the boot camp is to have attendees launch actual businesses and is targeted at:

1. Those who have always dreamed of starting their own business.
2. Anyone who has considered self-employment or full commission independent office professions.
3. The recently unemployed who would like to use their skills and ideas to earn an income full or part time.

### Venture Launch Online

Included with every online membership is a Venture Launch workbook & handouts, online training videos, ND Business Resource Guide, free admission to future VL Events (bring your workbook and there is no charge for admission) and consulting support from an SBDC consultant in your area.

Membership Fee: \$50.00
